VOLUNTEERING	
CoBRC is a volunteer run club. The committee expects each member to contribute in some way to the running of the club. You may want to confer with committee members in order to identify areas where help is needed. Suggestions include the following:

<i>Towing trailer</i>	<i>Cleaning clubhouse</i>
<i>Fundraising</i>	<i>Boat maintenance</i>
<i>Assisting at club regatta and head race</i>	

PERSONAL HEALTH	
Rowing and its associated training can be a strenuous activity. You should therefore be in good health and have no medical or physical condition precluding heavy exercise. If there is any doubt you should first consult your doctor. Some conditions such as asthma and diabetes, for example, do not prevent individuals participating in the sport, but you do have a duty to declare any condition that might put yourself or others at risk. Likewise you have a duty to declare any change in personal health whilst a member of the Club that may put yourself or others at risk. It is important therefore that you inform those around you e.g. coaches and crew members, of any condition they may have to deal with in the event of an emergency.
